DISCLOSURE STATEMENT

(To be furnished to Buyers prior to execution of Purchase Agreement)

The information in this Disclosure Statement is accurate as of the **1st Day of September, 2006.**

STATUTORY NOTICE

Within ten (10) days after the receipt of a disclosure statement, a purchaser may cancel any contract for the purchase of a Lot from a declarant; provided, that the right to cancel terminates upon the purchaser's voluntary acceptance of a conveyance of the Lot from the declarant.

If a purchaser receives a disclosure statement more than ten (10) days before signing a purchase agreement, the purchaser cannot cancel the purchase agreement.

If a declarant obligated to deliver a disclosure statement fails to deliver a disclosure statement which substantially complies with Minnesota Statutes, Chapter 515B to a purchaser to whom a Lot is conveyed, the declarant shall be liable to the purchaser as provided in Section 515B.4-106(d) of Minnesota Statutes.

(end of statutory notice)

This Disclosure Statement is furnished to you as a prospective purchaser as required by the Minnesota Common Interest Ownership Act, Chapter 515B of Minnesota Statutes (the "Act"). Neither Declarant nor its representatives are authorized to give you legal or tax advice. You should consult your own counsel and tax advisor as to the legal and tax matters relating to this purchase.

The following paragraphs correspond to the required disclosure items listed in Section 515B.4-102 of the Act.

1. **Name and Number of Common Interest Community.** The name of this planned community is: **GRAND BLUFFS AT THE JEWEL ALSO KNOWN AS THE JEWEL: A GOLF COMMUNITY SINGLE-FAMILY HOMEOWNERS ASSOCIATION NO. 9, INC.**, Common Interest Community number **32** (the "CIC").

2. **Name and Principal Address of "Declarant".** The name and principal address of the Declarant is: The Residences at the Jewel, LLC, 102 West Center Street, Lake City, MN 55041.
3. **Type of Common Ownership Community; Number of Lots.** This CIC is a planned residential community (not a cooperative or condominium), and will consist of up to 28 residential Lots. The CIC is a member of THE JEWEL: A GOLF COMMUNITY MASTER ASSOCIATION, CIC Number 11 (the "Master Association"), see No. 20 below for details.
4. **General Description of CIC.** It will be a mixed-use residential community, consisting of single-family homes and recreational facilities, governed in accordance with the terms of the Declaration of **GRAND BLUFFS AT THE JEWEL ALSO KNOWN AS THE JEWEL: A GOLF COMMUNITY SINGLE-FAMILY HOMEOWNERS ASSOCIATION NO. 9, INC.** ("Declaration"). The Master Association may consist of single-family, multi-family and/or condominium units.
5. **Schedule.** Declarant's schedule of commencement and completion of construction of buildings and other improvements is as follows. Declarant will commence, or already has commenced, construction of the buildings and other improvements which Declarant is obligated to build pursuant to Minn. Stat. Section 515B.4-117 of the Act. See Exhibit A attached hereto for the current schedule of construction.
6. **Expenses or Services Not Reflected in Budget Which May Become at Subsequent Time Common Expenses of Association.** In addition to the estimated annual budget for the combined responsibilities of the Master Association and this Association furnished herewith, Declarant expects maintenance of certain common elements of the **GRAND BLUFFS (28 Lots)** to be a Common Expense of the Association, as set forth in the separate maintenance estimated annual budget furnished herewith.

The Declarant has established an alternative assessment program under the authority of Section 515B.3-115 of Minnesota Statutes. Under this program, once a common expense assessment has been levied, any unit owned by Declarant for initial sale shall be assessed at the rate of twenty-five percent (25%) of the assessment levied on the other units not owned by Declarant until a certificate of occupancy for such unit has been issued by the municipality in which the CIC is located. This reduced assessment shall apply to each unit owned by Declarant at the time that the unit is created, and shall continue until the issuance of the certificate of occupancy as previously described. There are no assurances that this alternative assessment program will have no effect on the level of services for items set forth in the Association's budget.

7. **Initial and Special Fees Due at Closing; Payments in Lieu of Assessments.** As provided in Buyer's purchase agreement, Buyer shall pay at closing to the Association, \$ **None** to fund the initial working capital of the Association. (**Note: the Master Association requires a payment on closing of \$100.00 to working capital. \$200.00 will be collected to reimburse seller for its payment to the City of Lake City regarding the upgraded neighborhood lighting**). This sum, which is non-refundable,

is in addition to the regular Common Expense monthly assessment (or payments in lieu thereof) which will be payable subsequent to closing. Until the Association levies a monthly assessment against Lots in the CIC, Declarant shall pay all expenses incurred by the Association in administering the Common Elements. The Buyer should be aware that such payments are not part of the Alternative Assessment Program described in paragraph 6 above, which takes effect after the Association levies its first monthly assessment. At the time control of the homeowners association is transferred by the Declarant to owners, the working capital fund, if not sooner transferred, will be transferred to the Association for deposit to a segregated fund.

8. **Liens.** The following liens, defects, or encumbrances will continue to affect the title to the Lot conveyed to purchaser or to any real property owned by the Association after said conveyance are identified in Exhibit B attached.
9. **Financing.** No financing will be offered by the Declarant.
10. **Federal Approval.** This CIC **HAS** **HAS NOT** (check one) received final project approvals from the Federal National Mortgage Association (FNMA), Federal Home Loan Mortgage Corporation (FHLMC), Department of Housing and Urban Development (HUD), or Department of Veterans Affairs (VA). Such approvals are not at this time being sought.
11. **Warranties.** Declarant's primary intention is to sell lots to owner-occupants, including seasonal or recreational owners. Depending upon market conditions, however, Declarant may market individual lots, or blocks of lots, to investors or developers. The statutory warranties set forth in Chapter 327A apply to the purchase of a completed dwelling unit in the CIC. Section 515B.4-112 through 515B.4-115 of the Act include additional statutory warranties that apply to the sale of Lots and/or completed dwelling units in the CIC. A copy of the referenced statutes is attached as Exhibit C.
12. **Buyers Right to Cancel.** Declarant hereby advises Buyer to review the Statutory Notice at the beginning of this Disclosure Statement.
13. **Unsatisfied Judgments or Pending Lawsuits.** Based on the actual knowledge (after reasonable inquiry) of Declarant, or any affiliates of Declarant, there are no unsatisfied judgments or lawsuits to which the Association is a party, nor are there any pending suits to which the Association is a party or which would be material to the CIC or the Lot being purchased by Buyer.
14. **Escrow of Earnest Money.** Any earnest money paid in connection with Buyer's purchase of a Lot will be held in an escrow account in accordance with the terms of the purchase agreement (which include, without limitation, the right of Declarant-Seller to make withdrawals therefrom for construction of roads, utilities and recreational facilities), until: (i) the closing, or (ii) the valid termination of the purchase agreement by Buyer pursuant to Minn. Stat. Section 515B.4-106 of the Act. Following such termination, the earnest money will be returned to Buyer.

The name and address of the escrow agent is: Goodhue County Abstract Company, 433 West Third Street, Suite 100, Red Wing, MN 55066.

15. **Insurance.** To the extent available, the insurance coverage provided by the Association, if any, for the benefit of Lot Owners is disclosed in the Declaration attached hereto as Exhibit D and incorporated herein by reference.
16. **Fees for Use on Common Elements.** There are no current or expected fees or charges, other than assessments for common expenses, to be paid by Lot Owners for the use of the common elements or any other common improvement or facilities.
17. **Financial Arrangements.** The improvements that Declarant is obligated to pay for pursuant to Section 515B.4-118 of the Act are described in the Schedule provided under item 5 above and financial arrangements have been made with Home Federal Savings Bank of Rochester, Minnesota to provide for completion of all “Must Be Built” improvements shown on the CIC Plat for GRAND BLUFFS AT THE JEWEL, and are being worked on for the Master Association, including without limitation the homeowners association clubhouse, development monuments and signage.
18. **Cooperative CIC.** Does not apply to the CIC.
19. **Statement Regarding Real Estate Taxes and Delinquent Real Estate Taxes.** Real estate taxes for any real property owned by the Association are not delinquent. Real estate taxes, including the amount of any special assessments certified for payment with the real estate taxes, due and payable with respect to the Lot Buyer is purchasing, in the year in which this Disclosure Statement is given, are set forth in Exhibit E attached hereto.
20. **Master Association.** The CIC Association shall be a member of the Master Association. The information and documents regarding the Master Association that is required to be disclosed pursuant to § 515B.4-102(20) is set forth in Exhibit F attached hereto and incorporated herein by reference.
21. **Substantial Completion.** Because the Declarant is only selling Lots and not buildings, the unit will not be complete by closing. Buyer is responsible for paying for and causing any construction of the unit on the Lot.
22. **Copy of Binding Documents.** The following is a summary of the material agreements between The Residences at The Jewel, LLC and government entities that affect the Jewel CIC.
 1. Developer Agreements with the City of Lake City (“City”) that govern the construction of and payment obligations for public infrastructure exist for the following subdivisions at Jewel: Jewel First Additions, Jewel Second Addition, Jewel Third Addition, Scottish Village, Oakhurst, Champion Circle, Lakes, 3 Tees, Grand Bluffs and Woodland Walk. All such Developer Agreements, and amendments

thereto, will be released by the City, subject to several conditions, prior to closing on October 23, 2006. Any conditions involving monetary obligations shall be the sole responsibility of Seller.

2. The Planned Unit Development (PUD) Agreement dated 10.31.2001, as well as a subsequent Addendum and several Amendments run with the land. These documents set forth procedures and policies for planning, government approvals, and phasing of the project. These are the key agreements governing the project. Important provisions include a Mandatory Annual Review Process for build out and requirements for various escrow agreements identified below. Exhibit K-1 as amended covers project phasing. Procedures for departure from toe of slope requirements are also covered. Perhaps the most significant advantage of the PUD Agreement is the vesting of rights provision protecting Jewel until October 30, 2011, from the application of new zoning and other city ordinances that affect the project.
 - a. The following escrow agreements require the Jewel Master Homeowners Association, Inc, through its Architectural Control Committee (ACC), to have builders place in escrow certain sums to protect the City and to comply with environmental obligations: Escrow Agreement for Protection of Public Improvements, Escrow Agreement for Nuisance Abatement, and Construction Clean Up and Erosion Control Escrow Agreement.
3. Oakhurst lots are governed by two special agreements. The Individual Lot Grading Plan agreement requires that before a building permit is issued for a home, an engineering drawing must be produced by the builder or lot owner showing the grading required by any structure and how it affects the adjacent lots. The Ecological Mitigation Plan requires review, mitigation and possible replacement of certain trees on a lot to be built upon.
4. The Clubhouse Drive Median Maintenance Agreement requires Jewel and The Jewel Golf Club to maintain the plantings in the median at the intersection of Clubhouse drive and Green Parkway.
5. Applicable to Woodland Walk, the Financial Guarantee Agreement For Enforcement of Conservation Easement requires the maintenance of the slope area of this subdivision by The Residences At The Jewel, LLC, the Jewel Master Homeowners Association, Inc, and/or the Jewell Nursery Heritage Foundation, Inc.
6. An Agreement to Grant Trail Easement requires Jewel to dedicate a trail easement over certain land connecting Minnesota State Highway 63 with Hidden Meadow Lane. The property is east of Green Parkway and Hidden Meadow Lane. A similar agreement requires jewel to grant an easement for a trail through a designated outlet in Jewel Third Addition for a trail past the city reservoir to the top of the bluff.

7. The Forest Management Plan, approved by the City, is a document identifying the forest resources at the Jewel.
8. The Contribution for Street Lighting Agreement delineates the cost Jewel is to reimburse the City for the special street lighting poles and lamps that adorn Jewel streets.
9. There are several pond agreements including the Pond Ownership Agreement, which identifies the ponds to be taken over by the City, and the Pond Easement and Maintenance Agreement, which grants to the City access to Jewel ponds and sets forth the responsibilities of the parties for maintenance of the ponds.
10. Conditions of approval for each subdivision of the Jewel may contain certain requirements, particularly for toe of slope lots in Oakhurst and lots in Woodland Walk that back up to the slope.
11. Storm Water Drainage Easements with Waltman and Bolduan guarantee City access to drainage areas and piped that are connected to pond 301 in Park One.
12. Jewel Third Addition toe of slope lot owners are also required to complete an individual lot grading plan before home construction, as described in paragraph 3 above.
13. Pursuant to a Wetland Replacement Plan and a consent agreement with the Wabasha County Soil and Water Conservation District, Jewel has constructed, and is required to monitor for a time, certain wetlands on the property to be sold including a pond on the golf course located between holes 1 and 9, two nurb ponds adjacent to 10th street currently under construction and wetland C which is located underneath the power line on Outlot K of Jewel Planning Plat 2.

23. **Balance Sheet; Projected Budget.** Prepared by the Board of Directors

24. **Statutory Notice.** The following notice is required by Minnesota Statutes.

The declarant has reserved in the declaration certain rights to add additional real estate. These rights allow a declarant to add units or common elements to a common interest community, and to make other changes to the community over a specified period of time. These changes may have a substantial effect upon the units or rights of unit owners, by changing relative voting power and share of common expenses, by increasing the number of persons using the common elements, by altering the size and appearance of the common interest community and by making other changes which may affect the value or utility of the units. A purchaser of units in this common interest community should consider the possible effects of the declarant's rights reserved for this project.

Section 11 of THE JEWEL: A GOLF COMMUNITY MASTER ASSOCIATION, Common Interest Community number 11 (the “Master Association”). declaration and Section 11 of the Declaration allow additional real estate to be added to the Master Association and the CIC, respectively.

25. **Notice of Waiver of Certain Liability.** Please note that the THE JEWEL: A GOLF COMMUNITY MASTER ASSOCIATION, Common Interest Community number 11 (the “Master Association”) declaration and the Declaration each contain the following waiver of liability by Lot owners with respect to the Lot being located on or near a golf course. Capitalized terms used in the following quote are defined in the declarations:

Golfers are not always able to control their shots and errant golf balls from the Golf Course will invariably enter upon certain Lots and Common Elements from time to time, possibly causing damage or injury to person or property. The Association and the Owner of each Lot, by its acceptance and recordation of a deed for its Lot, shall be deemed to have agreed that the Non-Liable Parties shall not in any way be responsible for, and that the Association and the Owner of each Lot within the Property, for itself and its successors and assigns, shall be deemed to have waived all rights it may at any time have against the Non-Liable Parties for, any and all claims, damages, losses, demands, liabilities, obligations, actions, or causes or actions resulting from any entry onto the Lot or Common Elements of any golf balls (regardless of number) hit from or in connection with the golf course, any damage or injury to person or property, resulting therefrom, any entry onto a Lot or Common Elements, or any portion thereof, by any golfer attempting to retrieve a golf ball as permitted under Section 2.7 and 2.8 (of the above-referenced declarations), and from the exercise by any golfer or the Golf Course of the rights set forth in Section 2.7 and 2.8 (of the above-referenced declarations), including, without limitation, actions based on: (a) any invasion of the use and enjoyment of the Property, or any portion thereof; (b) improper or negligent design or construction of the Golf Course; and (c) the level of skill of any golfer (regardless of whether such golfer has the permission of the Golf Course owner or the Golf Course Operator to use the Golf Course).

Financial and Budget Statement

Those viewing; **The Jewel: A Golf Community Master Association** should note the following:

The budget has been prepared and approved by the Master Association Board of Directors but there has been no levy of association owner assessments.

Prior to August 1, 2006 all expenses for The Jewel: A Golf Community Master Association were paid for by the Declarant as the Developer, and the expenses were not allocated separately to the Association. Therefore, what is shown in the Year to Date Actual column on the financial statement does not reflect complete operating expenses and does not include additional expenses which are anticipated for the following year of operation.

As of August 1, 2006, current funds, income and expenses for The Jewel: A Golf Community Master Association are segregated from any development/Declarant expenses and in the name of The Jewel: A Golf Community Master Association, Inc.

While the budget contemplates 2,365 homes, the August financial statement does not reflect this number as the community is still in a build out phase. The number of future lots/homes may vary depending on options which may be exercised by any Declarant.

The Board of Directors has approved the attached budget which plans for assessments to be \$400.00 per lot per year.

The Master Budget anticipates \$85,420.00 will be contributed annually to the reserve fund for the Master Association upon full build out and with 2365 homes/lots. This does not include any other additional reserve funding for the sub-associations. No other additional or reserve funding is planned.

The budget for the Jewel has been prepared as a guide for the community. While we deem the information correct, we do not guarantee it.

This budget does provide for minor shoreline and maintenance of some of the large ponds.

Please refer to the attached Master Association Budget.

No accessories, parts or objects used with cars, boats, buses, trucks, trailers, house trailers or the like, shall be kept on any Lot other than in a garage or other enclosed structure approved by the Committee.
- 3.11 Vehicles and Recreational Vehicles. Except within a garage or other enclosed structure approved by the Committee, no vehicles or similar equipment shall be parked or stored on a Lot other than passenger automobiles, passenger vans, motorcycles and pick-up trucks that are in operating condition, have current license plates and inspection stickers, and are in regular legal use as motor vehicles on public streets and highways. No trailers, boats, buses, motor homes, campers, snowmobiles or other types of recreational vehicles shall be parked on any Lot, Common Element or streets for more than forty-eight (48) consecutive hours or such shorter period as may be established by law, except if such vehicle is parked within a garage or other approved structure located on such Lot; provided however, the Board may (at

its discretion) grant permits to park such vehicles on Lots for limited periods of time not to exceed fourteen (14) days in any twelve (12) month period. No such vehicles shall be parked on any Common Elements, except in designated parking areas pursuant to rules and restrictions established by law and/or the Board. The foregoing restrictions shall not apply to any vehicles, machinery or equipment temporarily parked at a Lot in connection with the construction, maintenance or repair of a building or other authorized improvements on such Lot. No vehicle shall be permitted to park overnight on any street except for those vehicles used by a builder during the construction of improvements on Lots or Common Elements. No vehicle of any size which transports inflammable or explosive cargo may be kept on the Property at any time.

- 3.12 Signs. No signs, advertisement, billboard or advertising structure of any kind whatsoever may be erected or maintained on any Lot without the consent in writing of the Committee, including without limitation any “For Sale” or “For Rent” sign or any sign displaying the name of a realtor. Declarant or any member of the Committee shall have the right to remove any such signage. Notwithstanding the foregoing, Declarant shall have the right to erect and maintain such signs as it deems necessary to advertise the development during construction and sale periods.
- 3.13 Livestock and Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot except that dogs, cats or other common household pets may be kept on all such Lots provided that they are not kept, bred or maintained for commercial purposes and do not become a nuisance or threat to other Owners. No such animals shall be allowed to run loose on a Lot, unless contained within such Lot by an “invisible fence” type fence or other fence approved by the Committee. No Owner or Occupant shall feed any wild animals including without limitation deer, bear, rabbits and raccoons. Notwithstanding the foregoing restriction, Owners and Occupants may use bird feeders to feed birds, squirrels and chipmunks, as long as the feed being provided does not attract other wild animals.
- 3.14 Drainage. Except for any such rights reserved to the Declarant, any natural drainage patterns of streets, Lots, Common Elements or roadway ditches will not be impaired by any person or persons, and the Declarant or its assigns may enter upon any Lot to maintain such natural drainage areas. Driveway culverts must be installed prior to beginning construction of any building or Dwelling and must be of sufficient size to afford proper drainage of ditches without backing water up into ditch or diverting flow. The size and type of driveway culverts must also be approved by appropriate governmental authorities. The breaking of curbs, if any, for driveway installations will be accomplished in a good and workmanlike manner. Such break shall be re-cemented without hindrance to drainage and shall be subject to the inspection and approval of the Committee.
- 3.15 Hazardous Substances. Except for common household cleaners and supplies and for substances used in connection with the operation of the Golf Course, no Hazardous Substance shall be brought onto, installed, used, stored, treated, buried, disposed of or transported over the Lots. All activities on the Lots involving Hazardous Substances shall, at all times, comply with Applicable Law.
- 3.16 Completion of Landscaping. The lawn on each Lot shall be seeded or sodded by:

year; or (ii) by June 15 of the calendar year following the issuance of the Certificate, if such Certificate is issued between September 16 and December 31 of any calendar year.

- 3.17 Restoration. Notwithstanding any approvals or consent granted by the Committee or the Association, if any Owner disturbs or otherwise damages any portion of the Common Elements, such Owner shall expeditiously complete such work, and at its sole expense, shall immediately restore and repair the Common Elements to their condition prior to the commencement of construction.
- 3.18 Lighting. The artificial lighting on each Lot and in the Common Elements shall be consistent with “down-lighting” designs established by the Committee for the purpose of limiting night sky illumination.
- 3.19 Rental Restrictions. Any lease for a Dwelling or Lot between an Owner and a lessee shall provide that the lease and all rights of lessee thereunder shall be subject in all respects to the provisions of the Governing Documents and the Act. A lease for a Dwelling or Lot must be for the entire Dwelling and/or Lot, as applicable, not a portion thereof. No such lease may be for a period less than thirty (30) days.
- 3.20 Holiday Decorations/Lighting. Seasonal/holiday lights and decorations shall be permitted on the Lots, provided that they are installed/placed and removed (i) for the winter holiday season (i.e. Christmas, Hanukah, etc.) no earlier than November 15 and no later than March 15, respectively, and (ii) for all other holiday seasons within 10 days of the relevant holiday/season.
- 3.21 Exterior Ornaments. Exterior ornaments including but not limited to precast concrete, plastic or wood figurines, wishing wells and windmills shall be prohibited unless approved by the Committee prior to installation or construction.
- 3.22 Fences. Except for “invisible fence” type fences, no fence shall be allowed on any Lot without the Committee’s approval.
- 3.23 Minimum Setbacks. No building of any kind shall be located on any Lot nearer to: (i) any side or rear property line; (ii) any public road; or (iii) any wetlands, than as may be indicated on the Plat; provided, however, as to any Lot, the Committee may waive or alter any such setback line if the Committee, in the exercise of the Committee's sole discretion, deems such waiver or alteration is necessary to permit effective utilization of a Lot. Any such waiver or alteration must be in writing and recorded in the Office of the County Recorder/Registrar of Titles for Wabasha County, Minnesota.
- 3.24 Minimum Square Footage. Single or double wide manufactured or mobile homes or trailers, are not permitted on the Property and no old or used house may be moved on the Property. All Dwellings must have at least 1300 square feet of living area on the first floor, excluding porches and garages, and be built with new construction materials. New prefabricated or pre-built homes from another location may be moved onto the property only with the prior written approval of the Committee. The roof of any Dwelling shall be constructed of either composition or fiberglass shingles, or other material approved by the Committee prior to construction. The use of sheet metal or similar material on the roof or exterior sides of any Dwelling other than as flashing is prohibited.

3.25 Golf Course Lots. Homes constructed on **Lots 1 through 5, inclusive, in Block 1, and Lots 1 through 9, inclusive, Block 3, GRAND BLUFFS AT THE JEWEL**, shall be limited to **one (1) story**, with walkout if applicable.

**SECTION 4.
ARCHITECTURAL CONTROL COMMITTEE,
CONSTRUCTION, RESTRICTIONS AND REQUIREMENTS**

4.1 Approval of Plans and Specifications.

4.1.1 In order to preserve the architectural and aesthetic appearance and the natural setting and beauty of the Property, to establish and preserve a harmonious design for the Property and to protect and promote the value of the Property, no improvements of any nature to be placed upon a Lot which affect the exterior appearance of any such Lot or Dwelling shall be commenced, erected, installed, placed, moved onto, altered, replaced, relocated on any such Lot or Dwelling, unless plans and specifications therefore complying with the Design Guidelines have been submitted to and approved by the Committee. The Committee shall be comprised of three (3) or more representatives appointed by the Board, in accordance with the terms and provisions of this Section 4. Without limiting the foregoing, the construction and installation of any Dwellings, sidewalks, driveways, parking lots, mailboxes, decks, patios, courtyards, swimming pools, tennis courts, greenhouses, playhouses, awnings, walls, fences, exterior lights, garages, guest or servant's quarters, or any other out-buildings, shall not be undertaken, nor shall any exterior addition to or change or alteration be made thereto unless the plans and specifications for the same have been submitted to and approved by the Committee in accordance with the terms and provisions of this Section 4.

4.1.2 The Committee is hereby authorized and empowered to approve, and/or deny approval of, any plans and specifications in connection with the activities referenced in Section 4.1(a) above to be performed on any Lot. Prior to commencement of any Dwelling, the Owner thereof shall submit to the Committee plans and specifications and related data for all such proposed construction which shall include the following:

4.1.2.1 Two (2) copies of an accurately drawn and dimensioned site development plan indicating the location and identification of all improvements, including, specifically, the Dwelling to be constructed or improved on said Lot, the location of the driveways, walkways, decks, terraces, patios, and mailboxes and the relationship of the same to any set-back requirements applicable to the Lot.

4.1.2.2 Two (2) copies of a foundation plan, floor plans and exterior elevation drawings of the front, back and sides of the Dwelling to be constructed on the Lot.

4.1.2.3 Such other plans, specifications or other information or documentation as may be required by the Committee.

4.1.3 The Committee shall, in its sole discretion, determine whether the plans and specifications and other data submitted by the Owner are acceptable. One (1) copy of all plans, specifications and related data so submitted shall be retained in the records of the Association and the other copy shall be returned to the Owner marked "approved," "approved as noted," or "disapproved." Notwithstanding anything provided herein to the contrary, an Owner may make interior improvements and alterations within a Dwelling or other approved structure that do not affect exterior appearance without the necessity or requirement that the Committee approval or consent be obtained.

4.1.4 The Committee shall have the right to disapprove any plans and specification upon any ground which is consistent with the objectives and purposes of this Declaration, including purely aesthetic considerations, any failure to comply with any of the provisions of this Declaration's minimum construction standards, failure to provide requested information, objection to exterior design, appearance or materials, objection on the ground of incompatibility of any such proposed improvement with the scheme of development proposed for the Property, objection to the location of any proposed improvements on any such Lot, objection to the landscaping plan for such Lot, objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any improvement or any other matter which, in the sole judgment of the Committee would render the proposed improvement inconsistent with the general plan of development contemplated for the Property. The Committee shall have the right to approve any submitted plans and specifications with reasonable conditions or stipulation which the Owner must incorporate into the plans and specifications for such improvements, if the Owner desires to complete such improvements. Approval of plans and specifications by the Committee for improvements to one particular Lot or Dwelling shall not be deemed an approval or otherwise obligate the Committee to approve similar plans and specifications or any of the features or elements for the improvements for any other Lot or Dwelling within the Property.

4.1.5 If the Committee fails to approve, approve as noted, or disapprove in writing any such proposed plans and specifications within forty-five (45) days after such plans and specifications are submitted to the Committee, then the plans and specifications submitted will be deemed to have been approved.

4.1.6 Any revisions, modifications or changes in any plans and specifications previously approved by the Committee must be submitted to the Committee for re-approval in the same manner as above.

4.1.7 If construction of such improvements has not substantially commenced (e.g., by clearing and grading, pouring of footings and otherwise commencing framing and other related construction work) within one (1) year of approval by the Committee, then the Owner of such Lot or Dwelling shall be required to resubmit all plans and specifications

for any such improvements to the Committee for re-approval in the same manner specified above.

4.2 Procedure and Meetings. The Committee shall elect a chairperson and the chairperson, or in the chairperson's absence, the vice chairperson, shall be the presiding officer at all meetings of the Committee. The Committee shall meet on a regular basis as well as upon call of the chairperson or vice chairperson and all such meetings shall be held at such places as may be reasonably designated by the chairperson or vice chairperson. A majority of the total number of members of the Committee shall constitute a quorum of the Committee for the transaction of business and the affirmative vote of a majority of those present in person or by proxy at a meeting of the Committee shall constitute the action of the Committee on any matter which comes before it. The Board may authorized the Committee to retain the services of consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys in order to advise and assist the Committee in performing its functions set forth herein. The Committee shall have the right from time to time to adopt and establish such rules and regulations as may be determined to be necessary concerning the procedure, notice of meetings and all other matters concerning the conduct of the business of the Committee.

4.3 Minimum Construction Standards. Within the framework established in this Declaration, the Committee may from time to time promulgate an outline of minimum acceptable construction standards; provided, however, that such outline will serve as a minimum guideline only.

4.3.1 Compliance with Laws. Each Owner agrees that all construction activities performed by it or on its behalf shall be performed in compliance with all laws, rules, regulations, orders and ordinances of the City and State of Minnesota affecting improvements constructed within the Property and that construction activities on its Lot shall not:

4.3.1.1 Cause any unreasonable increase in the cost of constructing improvements upon another Lot.

4.3.1.2 Unreasonably interfere with construction work being performed on any other part of the Property.

4.3.1.3 Unreasonably interfere with the use, occupancy or enjoyment of any part of the remainder of the Property and the easements granted by this Declaration by any other Owner its invitees or Occupants.

4.3.1.4 Cause any other Owner to be in violation of any applicable law, rule, regulation, order or ordinance of the City, Wabasha County and/or Goodhue County (as applicable), State of Minnesota or federal governmental agencies, or any department or agency thereof.

4.4 Subsurface Conditions. The approval of plans and specifications by the Committee for any Dwelling or other improvements on a Lot shall not be construed in any respect as a representation or warranty by the Committee, the Association, or Declarant to the Owner submitting such plans or to any of the successors or assigns of such Owner that the surface or subsurface conditions of such Lot are suitable for the construction of the improvements contemplated by such plans and specifications. It shall be the sole responsibility of each

Owner to determine the suitability and adequacy of the surface and subsurface conditions of any Lot for the construction of any contemplated improvements thereon.

4.5 Limitation of Liability. Notwithstanding anything provided herein to the contrary, neither Declarant, the Committee, the Association, nor any agent, employee, representative, member, shareholder, partner, officer or director thereof, shall have any liability of any nature whatsoever for any damage, loss or prejudice suffered, claimed, paid or incurred by any Owner or Occupant on account of (a) any defects in any plans and specifications submitted, reviewed or approved in accordance with the provisions of this Section 4, (b) any defects, structural or otherwise, in any work done according to such plans and specifications, (c) the failure to approve or the disapproval of any plans, drawings, specifications or other data pursuant to the provisions of this Section 4, (d) the construction or performance of any work related to such plans, drawings and specifications, (e) bodily injuries (including death) to any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of any such Owner or Occupant or any damage to any Dwellings, improvements or the personal property of any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of such Owner or Occupant, which may be caused by or arise as a result of past, present or future soil and/or subsurface conditions, known or unknown (including, without limitation, sink holes, tunnels and water channels and limestone formations) on or under any Lot or other part of the Property, and (f) any other loss, claim, damage, liability or expense, including court costs and attorneys' fees, suffered, paid or incurred by any Owner or Occupant arising out of or in connection with the use and occupancy of any Lot, Dwelling, or any improvements situated thereon.

SECTION 5. PROPERTY OWNERS ASSOCIATION

5.1 Membership. Each Owner shall be a Member. Membership in the Association shall be appurtenant to and may not be separated from the ownership of a Lot. In the event any Lot is owned by more than one (1) person, then the Owners of such Lot shall, by written notice to the Board, designate only one (1) representative to exercise all voting rights attributable to the Lot owned by such Owners. Each Member shall at all times comply with the provisions of the Governing Documents and all Rules and Regulations. Each Lot shall have one vote and shall have a common expense allocation in proportion to the number of Lots then included in the Association, except that special allocations of common expenses shall be permitted as provided in this Declaration and except for the alternative assessment program provided in this Declaration. Voting rights and Common Expense allocations and title to the Lots shall not be separated or conveyed separately. The voting rights are more specifically described in the By-Laws.

5.2 Appointment/Election of Board. The Board shall be appointed/elected as provided for in the Articles of Incorporation and the By-Laws. The Articles of Incorporation and By-Laws shall provide for the Members elect directors. Pursuant to Section 515B.3-103(c) of the Act, Declarant hereby retains and shall have the right to appoint or remove, with or without cause, any member or members of the Board and any officer or officers of the Association until the Control Transfer Date. Within sixty (60) days after the Control Transfer Date, a special meeting of the Association shall be called, at which meeting the Owners shall elect a new Board which shall undertake the responsibilities of the Board and the Association.

5.3 Board of Directors. The Board shall have the rights and duties set forth in the Articles of Incorporation and the By-Laws.

5.4 Owner's Right of Enjoyment. Every Owner shall have a beneficial interest of use and enjoyment in and to the Common Elements and such right shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

5.4.1 the right of the Association, with respect to the Common Elements, to limit the number of guests of Owners;

5.4.2 the right of the Association to make the Rules and Regulations and to charge reasonable admission and other fees for the use of any facility situated upon the Common Elements;

5.4.3 the right of the Association, in accordance with its Articles of Incorporation and By-Laws (and until the Control Transfer Date, subject to the prior written approval of the Declarant), to (i) borrow money for the purpose of improving and maintaining the Common Elements and facilities (including borrowing from the Declarant or any entity affiliated with the Declarant) and (ii) mortgage said property, however, the rights of such mortgagee of said property shall be subordinate to the rights of the Owners hereunder;

5.4.4 the right of the Association to suspend the Member's voting rights and the Member's and Related Users right to use any recreational facilities within the Common Elements during any period in which the any assessment against his or her Lot remains unpaid beyond its due date;

5.4.5 the right of the Association to suspend the Member's voting rights and the Member's and Related Users' right to use any recreational facilities within the Common Elements, after notice and hearing by the Board, for the infraction or violation by such Member or Related Users of this Declaration or the Rules and Regulations, which suspension shall continue for the duration of such infraction or violation, plus (at the Board's discretion) a period not to exceed sixty (60) days following the cessation or curing of such infraction or violation; and

5.4.6 the right of the Association (subject, until the Control Transfer Date, to the prior written approval of the Declarant), to dedicate or transfer all or any part of the Common Elements to any public agency, authority or utility, for such purposes and subject to the provisions of this Declaration.

5.5 Delegation of Use. Any Member may delegate, in accordance with the By-Laws, his right of enjoyment to the Common Elements and facilities to its Related Users.

SECTION 6.

ASSESSMENTS

6.1 General. Assessments shall be determined and assessed against the Lots by the Board, in its discretion; subject to the requirements and procedures set forth in this Section 6, and the requirements of the By-Laws. Assessments shall include annual assessments under Section 6.2, and may include special assessments under Section 6.3 and limited allocation assessments under Section 6.4. Annual and special assessments shall be allocated among the

Lots equally, in accordance with the allocation formula set forth in Section 6.2. Limited allocation assessments under Section 6.4 shall be allocated to Lots as set forth in that Section.

6.2 Annual Assessments. Annual assessments shall be established and levied by the Board, subject to the limitations set forth hereafter. Each annual assessment shall cover all of the anticipated Common Expenses of the Association for that year which are to be shared equally by all Lots in accordance with the allocation set forth in this Section 6.2. Annual assessments shall be payable annually, in advance, or on such other payment basis (monthly, quarterly or semi-annually) as Declarant or the Board determines. Annual assessments shall provide, among other things, for an adequate reserve fund for the maintenance, repair and replacement of the Common Elements. Except for the variations authorized by Sections 6.3 and 6.4, and except for premiums on insurance carried by the Association, the increase in the annual assessment for any fiscal year shall not exceed the greater of (i) five percent (5%) of the previous year's annual assessment or (ii) the percentage increase in the National Bureau of Labor Statistics Consumer Price Index for the Minnesota Twin City Metropolitan Area (or comparable index if not available) for the most recent available year, multiplied times the total annual assessment for the Association's previous year; unless the increase is approved by the vote of sixty-seven percent (67%) of those Owners voting, in person or by proxy, at a meeting called for that purpose, or voting by mail. Notice of the meeting shall be sent to all Owners pursuant to the requirements of the By-Laws. The foregoing restriction shall apply only during the period of Declarant control of the Association, as described in Section 11. Notwithstanding the foregoing, no annual assessments shall be assessed until on or after January 1, 2003.

6.3 Special Assessments. In addition to annual assessments, and subject to the limitations set forth hereafter, the Board may levy in any assessment year a special assessment against all Lots equally in accordance with the allocation formula set forth in Section 6.2. Special assessments shall be used for the purpose of defraying in whole or in part the cost of any unforeseen and unbudgeted Common Expense. Notwithstanding the foregoing, any special assessment shall be subject to approval by the vote of a sixty-seven percent (67%) of the Owners voting, in person or by proxy, at a meeting called for that purpose, or voting by mail. Notice of the meeting shall be sent to all Owners pursuant to the requirements of the By-Laws

6.4 Limited Allocation Assessments. In addition to annual assessments and special assessments, the Board may, at its discretion, levy and allocate limited allocation assessments, among only certain Lots in accordance with the following requirements and procedures:

6.4.1 Any assessment or portion thereof benefiting fewer than all of the Lots may be assessed equally and exclusively against the Lot or Lots benefited.

6.4.2 Reasonable attorneys' fees and other costs incurred by the Association in connection with (i) the collection of assessments and (ii) the enforcement of the Governing Documents, the Act, or the Rules and Regulations, against an Owner or Occupant or their guests, may be assessed against the Owner's Lot or Lots.

6.4.3 Late charges, fines and interest may be assessed as provided Section 10.

6.4.4 Assessments levied under Section 515B.3-116(a) of the Act to pay a judgment against the Association may be levied only against the Lots existing at the time the judgment was entered, in proportion to their Common Expense liabilities.

6.4.5 If any damage to the Common Elements or another Lot is caused by the act or omission or any Owner or Occupant, or their guests, the Association may assess the costs of repairing the damage exclusively against the responsible Owner's Lot or Lots to the extent not covered by insurance.

6.4.6 If any installment of an assessment becomes more than thirty (30) days past due, then the Association may, upon ten (10) days written notice to the Owner, declare the entire amount of the assessment immediately due and payable in full.

6.4.7 If Common Expense liabilities are reallocated for any purpose authorized by the Act, assessments and any installment thereof not yet due shall be recalculated in accordance with the reallocated Common Expense liabilities.

Assessments levied under Section 6.4(a) through (e) may, at the Board's discretion, be assessed as a part of, or in addition to, the other assessments levied under this Section 6.

6.5 Working Capital Fund. The Working Capital Fund shall be the same as the fund established by the Master Association.

6.6 Liability of Owners for Assessments. The obligation of an Owner to pay assessments shall commence at the later of (i) the time at which the Owner acquires title to the Lot, or (ii) the due date of the first assessment levied by the Board, subject to the alternative assessment program described in Section 6.7. The Owner at the time an assessment is payable with respect to the Lot shall be personally liable for the share of the Common Expenses assessed against such Lot. Such liability shall be joint and several where there are multiple Owners of the Lot. The liability is absolute and unconditional. No Owner is exempt from liability for payment of Assessments by right of set-off, by waiver of use or enjoyment of any part of the Property, by absence from or abandonment of the Lot, by the waiver of any other rights, or by reason of any claim against the Association or its officers, directors or agents, or for their failure to fulfill any duties under the Governing Documents or the Act. The Association may invoke the charges, sanctions and remedies set forth in Section 10, in addition to any remedies provided elsewhere in the Governing Documents or the Act, for the purpose of enforcing its rights hereunder.

6.7 Declarant's Alternative Assessment Program. The following alternative assessment program is established pursuant to Section 515B.3-115(b) of the Act. Notwithstanding anything to the contrary in this Section 6, if an assessment has been levied, any unsold Lot owned by Declarant shall be assessed at the rate of twenty-five percent (25%) of the assessments levied on other Lots not owned by Declarant until a certificate of occupancy has been issued with respect to such Lot by the City. This reduced Assessment shall apply to each Lot owned by Declarant at the time that the Lot is created, and shall terminate with respect to each such Lot upon the issuance of the certificate of occupancy, or comparable occupancy approval, for the Lot. This alternative assessment program will not affect the allocated share of replacement reserves assessed as a part of the special assessments pursuant to Section 6.3 above against Lots owned by Declarant; however, there are no assurances that the program will not affect the level of services for items set forth in the Association's budget.

- 6.8 Assessment Lien. The Association has a lien on a Lot for any assessment levied against a Lot from the time the assessment becomes due. If an Assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due. Fees, charges, late charges, fines and interest charges imposed by the Association pursuant to Section 515B.3-102(a)(10), (11) and (12) of the Act are liens, and are enforceable as assessments, under this Section 6. Recording of the Declaration constitutes record notice and perfection of any lien under this Section 6, and no further recordation of any notice of or claim for the lien is required. The release of the lien shall not release the Owner from personal liability unless agreed to in writing by the Association.
- 6.9 Foreclosure of Lien, Remedies. A lien for assessments may be foreclosed against a Lot under the laws of the State of Minnesota (i) by action, or (ii) by advertisement in a like manner as a mortgage containing a power of sale. The Association, or its authorized representative, shall have the power to bid in at the foreclosure sale and to acquire, hold, lease, mortgage and convey any Lot so acquired. The Owner and any other Person claiming an interest in the Lot, by the acceptance or assertion of any interest in the Lot, grants to the Association a power of sale and full authority to accomplish the foreclosure. The Association shall, in addition to its other remedies, have the right to pursue any other remedy at law or in equity against the Owner who fails to pay any assessment or charge against the Lot.
- 6.10 Lien Priority. A lien for assessments is prior to all other liens and encumbrances on a Lot except (i) liens and encumbrances recorded before the Declaration, (ii) any first mortgage encumbering the fee simple interest in the Lot, and (iii) liens for real estate taxes and other governmental assessments or charges against the Lot. Notwithstanding the foregoing, if (1) a first mortgage on a Lot is foreclosed, (2) the first mortgage was recorded on or after the date of recording of this Declaration, and (3) no Owner redeems during the Owner's period of redemption provided by Minnesota Statutes Chapters 580, 581, or 582, then the holder of the sheriff's certificate of sale from the foreclosure of the first mortgage shall take title to the Lot subject to unpaid assessments for Common Expenses levied pursuant to Sections 515B.3-115(a), (e)(1) to (3), (f), and (i) of the Act which became due, without acceleration, during the six (6) months immediately preceding the first day following the end of the Owner's period of redemption.
- 6.11 Voluntary Conveyances, Statement of Assessments. In a voluntary conveyance of a Lot, the buyer shall not be personally liable for any unpaid assessments and other charges made by the Association against the seller or the seller's Lot prior to the time of conveyance to the buyer, unless expressly assumed by the buyer. However, the lien of such assessments shall remain against the Lot until released. Any seller or buyer shall be entitled to a statement, in recordable form, from the Association setting forth the amount of the unpaid assessments against the Lot, including all assessments payable in the Association's current fiscal year, which statement shall be binding on the Association, seller and buyer.

SECTION 7. DECLARANT'S RIGHTS, RESERVATIONS, AND DUTIES

- 7.1 Period of Declarant's Rights and Reservations. The rights and reservations hereinafter set forth and set forth in Section 11 below shall be deemed excepted and reserved in each conveyance of a Lot whether or not specifically stated therein and in each deed or other instrument by which any property within the Common Elements is conveyed by Declarant.

Declarant shall have the right at its sole discretion to assign and/or transfer certain or all of its rights hereunder to other builders, developers that may develop portions of the Property. The rights, reservations and easements hereafter set forth shall be prior and superior to any other provisions of this Declaration and may not, without Declarant's prior written consent, be modified, amended, rescinded or affected by any amendment of this Declaration. Declarant's consent to any one such amendment shall not be construed as a consent to any other or subsequent amendment.

7.2 Right to Construct Additional Improvements in Common Elements. During the period of Declarant control, Declarant shall have and hereby reserves the right (without the consent of any other Owner), but shall not be obligated, to construct additional improvements within the Common Elements, or any part thereof, at any time and from time to time in accordance with the Declaration for the improvement and enhancement thereof and for the benefit of the Association and Owners. Declarant shall no later than the Control Transfer Date, convey or transfer such improvements to the Association and the Association shall be obligated to accept title to, care for and maintain the same as elsewhere provided in this Declaration.

7.3 Declarant's Rights to Use Common Elements and Lots in Promotion and Marketing of the Property and Annexable Area. For as long as Declarant owns any Lot, Common Element, or any portion of the Annexable Areas that can be added to the common interest community, Declarant shall have and hereby reserves the right to reasonable use of the Common Elements and Lots owned by Declarant, and of services offered by the Association in connection with the promotion and marketing of land within the boundaries of the Property and Annexable Area as contemplated in this Declaration. Without limiting the generality of the foregoing, Declarant may erect and maintain on any part of the Common Elements such signs, temporary buildings and other structures as Declarant may reasonably deem necessary or proper in connection with the promotion, development and marketing of land within the Property and Annexable Area; may use vehicles and equipment within the Common Elements for promotional purposes; and may permit prospective purchasers of property within the boundaries of the Property and Annexable Area, who are not Owners or Members, to use the Common Elements at reasonable times and in reasonable numbers; and may refer to the services offered by the Association in connection with the development, promotion and marketing of the Property and Annexable Area. Further, prior to the Control Transfer Date the Declarant may establish, supplement, modify and amend the Rules and Regulations.

7.4 Declarant's Rights to Grant and Create Easements. Prior to the Control Transfer Date, Declarant shall have and hereby reserves the right, without the consent of any other Owner or the Association, to grant or create temporary or permanent easements, for access, utilities, pipeline easements, cable television systems, communication and security systems or any other in-home technologies, drainage, water and other purposes incident to development, sale, operation and maintenance of the Property, in, on, under, over and across (i) the Lots or other property owned by Declarant, (ii) the Common Elements, and (iii) existing utility easements. Declarant also reserves the right, without the consent of any other Owner or the Association, to (i) grant or create temporary or permanent easements for access over and across the Roads to and from any public roads for the benefit of others, regardless of whether the beneficiary of such easements own property which is hereafter made subject to the jurisdiction of the Association, and (ii) permit owners and/or occupants of property within the Annexable Area which is not made subject to the jurisdiction of the Association to use the recreational facilities of the Association and other Common Elements, provided that said

owners pay to the Association their proportionate share of the cost of operating and maintaining said recreational facilities and Common Elements.

- 7.5 Declarant's Rights to Convey Additional Common Elements to the Association. Prior to the Control Transfer Date, Declarant shall have and hereby reserves the right, but shall not be obligated to, convey additional real property and improvements thereon, if any, to the Association as Common Elements at any time and from time to time in accordance with this Declaration, without the consent of any other Owner or the Association.
- 7.6 Construction of Improvements to Roadways. The Declarant shall improve the portions of the Property designated on the Plat as public roadways with a bituminous or comparable surface material that meets all specifications of the applicable governmental unit with jurisdiction over such roadways.
- 7.7 Construction of Utilities. The Declarant shall, at its sole cost and expense, pay the initial cost of construction and installation of gas, electricity, city water and sanitary sewer, and telephone lines to the boundary lines of the Lots.
- 7.8 Construction of Storm-Water Detention and Drainage Facilities. The Declarant shall construct the storm-water detention and drainage facilities pursuant to the plans and specifications prepared by Declarant and approved by the City. The initial cost associated therewith, including all engineering costs, legal costs, recording fees, construction costs, and landscaping, as appropriate, to areas disturbed in connection with construction of the storm-water detention and drainage facilities shall be paid by the Declarant.
- 7.9 General Construction Indemnity. With the exception of the infrastructure work to be performed by the Declarant under this Declaration and/or Development Agreement executed with the City, each Owner agrees to defend, indemnify and hold harmless each and every other Owner and the Declarant from all claims, actions and proceedings and costs incurred (including reasonable attorneys' fees and costs of suit) which result from any accident, injury, loss or damage whatsoever occurring to any person arising out of the performance of any construction activities performed or authorized by such indemnifying Owner. Any damage occurring to any portion of the Property as a result of such construction work shall be the responsibility of the Owner performing such construction work or causing such construction work to be performed and shall be repaired by such Owner, at such Owner's sole cost and expense, to the same condition as existed immediately prior to such work promptly upon the completion of such construction work.
- 7.10 Mechanic's or Construction Liens. If, because of any act or omission (or alleged act or omission) of any Owner, any mechanic's or construction lien shall be filed with respect to any portion of the Property other than such Owner's Lot (whether or not such lien is valid or enforceable as such), such Owner shall cause same to be discharged of record, or bonded, with respect to such portion of the Property not owned by such Owner, within thirty (30) days after being notified of the filing thereof; and such Owner shall indemnify and save harmless all other Owners, all ground and underlying lessors and mortgagees from all costs, liabilities, suits, penalties, claims and demands, including reasonable attorneys' fees resulting therefrom. If such Owner fails to comply with the foregoing, any other Owner and/or the Declarant shall have the option of discharging or bonding any such lien. If such option is exercised, the Owner whose act or omission (or alleged act or omission) gave rise to the lien shall reimburse the other Owner and/or Declarant who discharged or bonded such lien for all

costs, expenses and other sums of money (including reasonable attorneys' fees) in connection therewith promptly upon demand.

- 7.11 Complete Improvements. Declarant shall have the right to complete all the Lots and other improvements indicated in the Plat, or otherwise included in Declarant's development plans or allowed by the Declaration.
- 7.12 Easements. Declarant shall have the right to have and use easements, for itself, its employees, contractors, representatives, agents and prospective purchasers through and over the Common Elements for the purpose of exercising its special declarant rights.
- 7.13 Control of Association. Declarant shall have the right to control the operation and administration of the Association, including without limitation the power to appoint and remove the members of the Board pursuant to Section 515B.3-103 of the Act, until the Control Transfer Date.
- 7.14 Buy-back. In the event Owner fails to construct a Dwelling Unit on the Lot within the time frame required by this Declaration or any amendments thereto, Declarant shall have the right to buy back Owner's Lot at the purchase price paid to Declarant by the original Owner; provided, however that a) this buy-back right shall be subordinated to Owner's first mortgage on the Lot; and b) that any first mortgage holder, or its successor, that acquires the Lot through foreclosure shall not be subject to this buy-back clause. For purposes of this paragraph, Owner includes a builder who purchases the Lot(s) for purposes of constructing a Dwelling Unit for resale.

SECTION 8. DUTIES AND POWERS OF THE PROPERTY OWNERS

- 8.1 General Duties and Powers of the Association. The purpose of the Association is to further the common interest of the Members. The Association acting through the Board or through persons to whom the Board has delegated such powers (and subject to the provisions of the By-Laws), shall have the duties and powers hereinafter set forth and, in general, the power to do anything that may be necessary or desirable to: (i) further the common interest of the Members; (ii) maintain, improve and enhance the Common Elements; and (iii) improve and enhance the attractiveness, desirability and safety of the Property and any portion of the Annexable Area which becomes subject to the jurisdiction of the Association. The Association shall have the authority to act as the agent to enter into any and all contracts on behalf of the Members in order to carry out the duties, powers and obligations of the Association as set forth in this Declaration.
- 8.2 Duty to Accept the Property and Facilities Transferred by Declarant. The Association shall accept title to any of the Common Elements or other real property, including any improvements thereon and personal property transferred to the Association by Declarant, and equipment related thereto, together with the responsibility to perform any and all administrative functions and recreational functions associated therewith, provided that they are not inconsistent with the terms of this Declaration. Property interests transferred to the Association by Declarant may include fee simple title, easements, leasehold interests and licenses to use such property. Any property or interest in property transferred to the Association by Declarant shall be within the boundaries of the Property or Annexable Area.

Any property or interest in property transferred to the Association by Declarant shall, except to the extent otherwise specifically approved by resolution of the Board, be transferred to the Association free and clear of all liens and mortgages (other than the lien for property taxes and assessments not then due and payable), but shall be subject to the terms of this Declaration, the terms of any declaration of covenants, conditions and restrictions annexing such property to the Common Elements, and all easements, covenants, conditions, restrictions and equitable servitude or other encumbrances which do not materially affect the Association's and/or its Member's authorized use of such property. Unless otherwise prohibited by the Act, upon approval by the Board the Association may purchase or acquire Declarant's property or its interest in property from Declarant in exchange for reasonable monetary payments or remuneration including, but not limited to, purchase price, rent, charge or fee. Such payments and/or agreements to pay may result in increases in Owner's annual assessments and/or user fees. The property or interest in property transferred to the Association by Declarant shall not impose any unreasonable or special burdens of ownership of property, including the management maintenance, replacement and operation thereof.

8.3 Duty to Manage and Care for the Common Elements. The Association shall manage, operate, care for, maintain and repair all Common Elements and keep the same in a safe, attractive and desirable condition for the use and enjoyment of the Members. Such duty may include, but not be limited to: the establishment, operation and maintenance of a security system for the Property; landscaping, maintenance, repair and replacement of the drainage easements; and management, maintenance, repair and upkeep of the Common Elements.

8.4 Insurance

a. By Association. The Association shall obtain such insurance as may be required by the Act, including worker's compensation insurance, and shall have the power to obtain such other insurance and such fidelity, indemnity or other bonds as the Association shall deem necessary or desirable. Amongst other requirements, Section 515B.3-113 of the Act requires the Association to maintain casualty insurance coverage on the Common Elements.

b. By Owners. Except to the extent that the Association in its discretion provides blanket coverage for some or all such items, each Owner shall carry insurance for his or her own benefit insuring such Owner's personal liability, and adequate broad-form blanket casualty and fire insurance in an amount equal to the full replacement value, without deduction for depreciation or coinsurance, of the Dwelling Unit, including the structural portions and fixtures thereof, all other portions, parts and components of the Dwelling Unit, including without limitation walls, siding and roofs, floor coverings, ceiling or wall finishing materials, cabinetry, finished millwork, electrical and plumbing fixtures, appliances, furniture, furnishings, and other personal property and fixtures, and other property supplied or installed by Owner or a previous Owner or tenant; provided that all such Owner's policies shall contain waivers of subrogation, and further provided that the liability of the carriers issuing insurance obtained by the Association shall not be affected or diminished by reason of any such additional insurance carried by any Owner, that is, Owner's policies shall be "without contribution" against the Association's policies.

1) Replacement Or Repair Of Property. Any portion of the Dwelling Unit or Lot that has been damaged or destroyed by a loss covered by the Owner's insurance shall

be promptly repaired or replaced by the Owner unless (i) the Common Interest Community (“Community”) is terminated; (ii) such repair or replacement would be illegal; or (iii) Members holding at least 80% of the voting power of the Association (including every Member and first mortgage on a Unit which shall not be rebuilt) vote not to rebuild. If less than the entire Property is repaired or replaced, the insurance proceeds attributable to the damaged Common Area shall be used to restore the damaged area to a condition compatible with the remainder of the Community.

c. **Betterments.** In all circumstances, betterments or improvements made subsequent to the original construction by any Owner to a Dwelling Unit shall be the responsibility of the Owner to insure separately (or by rider to a blanket policy at the consent of the Association) if the Owner desires the same insured. If improvements and betterments are covered by the Association, any increased premium cost to the Association may be assessed against the Dwelling Units affected. If the Association, an insurance trustee or mortgagee undertakes the reconstruction or remodeling of a Dwelling Unit, as above provided, the same need be restored only to substantially the same condition as the Dwelling Unit was as of the completion of original construction.

d. **Deductibles.** The Association may, in the case of a claim for damage to a Dwelling Unit, (i) pay the deductible amount as a Common Expense, (ii) assess the deductible amount against the Lots affected in any reasonable manner, or (iii) require the Owners of the Lots affected to pay the deductible amount directly.

8.5 Duty to Prepare Budget. The Association shall prepare annual budgets for the Association, which budgets shall include a reserve fund for the maintenance of all Common Elements.

8.6 Duty to Levy and Collect the Annual Assessments. The Association shall levy, collect and enforce the annual assessments and other charges and assessments as permitted in this Declaration.

8.7 Duty to Provide Annual Review. The Association shall provide for an annual unaudited independent review of the accounts of the Association. Copies of the review shall be made available to any Member who requests a copy of the same upon payment by such Member of the reasonable cost of copying the same.

8.8 Duties with Respect to Architectural Approvals. The Association shall perform certain duties to assist the Committee as may be contemplated in Section 4 above.

8.9 Power to Acquire Property and Construct Improvements. The Association may acquire property or an interest in property (including leases) for the common benefit of the Owners including improvements and personal property. The Association may construct improvements on the Property and may demolish existing improvements.

8.10 Power to Adopt Rules and Regulations. The Association may adopt, amend and repeal the Rules and Regulations, fines, levies and enforcement provisions contained herein as may be deemed necessary or desirable with respect to the interpretation and implementation of this Declaration, the operation of the Association, the use and enjoyment of the Common Elements, and the use of any other property, facilities or improvements owned or operated by the Association.

- 8.11 Power to Enforce Restrictions and Rules and Regulations. The Association shall have the power to enforce the provisions of this Declaration and the Rules and Regulations, as provided in Section 10 below and elsewhere herein.
- 8.12 Power to Grant Easements. In addition to any other easements described in this Declaration, the Association shall have the power to grant access, utility, drainage, water facility and other such easements in, on, over or under the Common Elements.
- 8.13 Power to Convey and Dedicate Property to Government Authorities. The Association shall have the power to grant, convey, dedicate or transfer any Common Elements or facilities to any public or governmental agency or authority for such purposes and subject to such terms and conditions as the Association shall deem appropriate, which power may be exercised (i) by the Board for transfers to be made prior to the Control Transfer Date, and (ii) by the approval of not less than two-thirds (2/3) of the Members agreeing in writing or by voting at any scheduled meeting of the Members for transfers to be made after the Control Transfer Date. The Association may, subject to the limitations of the preceding sentence, convey property to a public or governmental agency or authority in lieu of such property being condemned by such public or governmental agency or authority.
- 8.14 Requirements Management Agreements. The term of any agreement for professional management of the Property may not exceed two (2) years. Any such agreement must provide at a minimum for termination without penalty or termination fee by either party (i) with cause upon thirty (30) days prior written notice, and (ii) without cause upon ninety (90) days prior written notice.

SECTION 9. GENERAL PROVISIONS

- 9.1 Mergers and Consolidations. The Association may participate in mergers and consolidations with other non-profit corporations organized for the same purposes, provided that (i) prior to the Control Transfer Date any such merger or consolidation shall require the approval (in writing or at a meeting duly called for such purpose) of two-thirds (2/3) of the Directors and Declarant's written consent, and (ii) from and after the Control Transfer Date any such merger or consolidation shall require the consent (in writing or at a meeting duly called for such purpose) of those Members entitled to cast not less than two-thirds (2/3) of the votes of all of the Members of the Association. Upon a merger or consolidation of the Association with another association, the properties, rights and obligations may, by operation of law, shall be transferred to the surviving or consolidated association, or alternatively, the properties, rights and obligations of the other association may, by operation of law, be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to the merger. The surviving or consolidated association will be subject to the covenants and restrictions established by this Declaration together with the covenants and restrictions established upon any other properties as one scheme. No such merger or consolidation, however, shall effect any of the covenants and restrictions established by this Declaration, except as changed by amendment of this Declaration or by the plan of merger or consolidation.
- 9.2 Liberal Interpretation. The provisions of this Declaration shall be liberally construed as a whole to effectuate the purpose of this Declaration.

- 9.3 Successors and Assigns. The provisions hereof shall be binding upon and inure to the benefit of the Owners, the Declarant, the owner of the Golf Course, and the Association, and their respective heirs, legal representatives, personal representatives or executors, administrators, successors and assigns.
- 9.4 Terminology. All personal pronouns used in this Declaration and all exhibits attached hereto, whether used in the masculine, feminine or neuter gender, shall include all other genders; the singular shall include the plural and vice versa. Title of articles and sections are for convenience only and neither limit nor amplify the provisions of this Declaration itself. The terms "herein," "hereof" and similar terms, as used in this instrument, refer to the entire agreement and are not limited to referring only to the specific paragraph, section or article in which such terms appear. All references in this Declaration to Exhibits shall refer to the Exhibits attached hereto.
- 9.5 Effect on Annexable Area. The provisions of this Declaration do not impose any restrictions whatsoever or otherwise encumber the Annexable Area, unless and until pursuant to Section 11 below portions of the Annexable Area are made subject to the jurisdiction of the Association by a separate instrument executed solely by Declarant or its successors and assigns and any lienholders, which instrument is recorded in the Office of the County Recorder/Registrar of Titles for Wabasha County and/or Goodhue County (as applicable), Minnesota.
- 9.6 Electric Utility Service. Prior to beginning any construction on a Lot, each Owner, at the Owner's expense, shall be required to install underground electric service lines from the transformer or source of feed to the meter location on said Lot. Further, each Owner may expect to pay a charge for connection to such electric utility service, and the Owner is obligated to contact the City to determine such charge and make arrangements for the installation of said underground service lines and connection to the electrical distribution system. Owner shall also be responsible for all charges for all utility service furnished to Lot.

SECTION 10. COMPLIANCE AND REMEDIES

Each Owner and Occupant, and any other Person owning or acquiring any interest in a Lot, shall be governed by and comply with the provisions of the Act, the Governing Documents, the Rules and Regulations, and such amendments thereto as may be made from time to time, and the lawful decisions of the Association. A failure to comply shall entitle the Association to the relief set forth in this Section, in addition to the rights and remedies authorized elsewhere herein or by the Governing Documents and the Act.

- 10.1 Entitlement to Relief. The Association may commence legal action to recover sums due, for damages, for injunctive relief or to foreclose a lien owned by it, or any combination thereof, or an action for any other relief authorized by the Governing Documents or available at law or in equity. Legal relief may be sought by the Association against any Owner to enforce compliance with the Governing Documents, the Rules and Regulations, the Act or the lawful decisions of the Association. Any Owner may also enforce compliance with the Governing Documents, the Rules and Regulations, or the Act by a private legal action, independent of this section. No Owner may withhold any assessments payable to the Association, or take or omit other action in violation of the Governing Documents, the Rules

and Regulations, the Act or the lawful decisions of the Association, as a measure to enforce such Owner's position, or for any other reason.

10.2 Sanctions and Remedies. In addition to any other remedies or sanctions, expressed or implied, administrative or legal, the Association shall have the right, but not the obligation, to implement any one or more of the following actions against Owners, Occupants, Related Users, and/or their guests, who violate the provisions of the Governing Documents, the Rules and Regulations or the Act:

10.2.1 Commence legal action for damages or equitable relief in any court of competent jurisdiction.

10.2.2 Impose late charges of up to the greater of twenty dollars (\$20) or fifteen percent (15%) of the amount past due, for each past due charge or assessment or installment thereof, and impose interest at the highest rate permitted by law accruing beginning on the first day of the month after the assessment or installment was due.

10.2.3 In the event of default of more than thirty (30) days in the payment of any assessment or installment thereof, all remaining installments of assessments assessed against the Lot owned by the defaulting Owner may be accelerated and shall then be payable in full if all delinquent assessments or installments thereof, together with all attorneys' fees, costs of collection and late charges, are not paid in full prior to the effective date of the acceleration. Not less than ten (10) days advance written notice of the effective date of the acceleration shall be given to the defaulting Owner.

10.2.4 Subject to Section 10.3 below, impose reasonable fines, penalties or charges for each violation of the Act, the Governing Documents, the Rules and Regulations.

10.2.5 Subject to Section 10.3 below, suspend the rights of any Owner to vote and/or suspend the rights of any Owner, Occupant, Related User, and their respective guests to use any Common Element amenities when such Owner is violating the Act, the Governing Documents, Rules and Regulations, or the lawful decision of the Association; provided, that the suspension of use rights shall not apply to limited Common Elements appurtenant to the Lot, and those portions of the Common Elements providing utilities service and access to the Lot. Such suspensions shall be limited to period of default by such Owners, Occupants and/or Related User, plus (at the Board's discretion) up to sixty (60) days thereafter, for each violation.

10.2.6 Restore any portions of the Common Elements damaged or altered, or allowed to be damaged or altered, by any Owner, Occupant, Related User, or their guests in violation of the Governing Documents, and to assess the cost of such restoration against the responsible Owners and their Lots as contemplated in Section 6 above.

10.2.7 Enter any Lot in which, or as to which, a violation or breach of the Act, the Governing Documents, the Rules and Regulations exists which is likely to materially affect the health or safety of the other Owners, Occupants, and/or Related Users, or their guests, or the safety or soundness of another part of the Property or the property of other Owners, and to summarily abate and remove, at the expense of the offending Owner, Occupant, and/or Related User, any structure, thing or condition in the Lot which is causing the violation; provided, that any improvements which are a part of a Dwelling

may be altered or demolished only pursuant to a court order or with the agreement of the Owner.

10.2.8 Foreclose any lien arising under the provisions of the Governing Documents or under law, in the manner provided by the Act.

10.3 Rights to Hearing. To the extent required by the Act or other applicable laws, before the imposition of any of the remedies authorized by Section 10.2 (d) and (e) above, the Board shall, upon written request of the offender, grant to the offender an opportunity for a fair and equitable hearing as contemplated by the Act. The offender shall be given written notice of the nature of the violation and the right to a hearing, and at least ten (10) days within which to request a hearing. The hearing shall be scheduled by the Board and held within thirty (30) days of receipt of the hearing request by the Board, and with at least ten (10) days prior written notice to the offender. If the offender fails to timely request a hearing or to appear at the hearing, then the right to a hearing shall be deemed waived and the Board may take such action as it deems appropriate. The decision of the Board and the rules for the conduct of hearings established by the Board shall be final and binding on all parties. The Board's decision shall be delivered in writing to the offender within ten (10) days following the hearing, if not delivered to the offender at the hearing.

10.4 Lien for Charges, Penalties, Etc. Any assessments, charges, fines, expenses, penalties or interest imposed under this Section shall be a lien against the Lot of the Owner, Occupant, and/or Related User against whom the same are imposed and the personal obligation of such Owner in the same manner and with the same priority and effect as assessments under Section 6. The lien shall attach as of the date of imposition of the remedy, but shall not be final as to violations for which a hearing is held until the Board makes a written decision at or following the hearing. All remedies shall be cumulative, and the exercise of, or failure to exercise, any remedy shall not be deemed a waiver of the right to pursue any others.

10.5 Costs of Proceeding and Attorneys' Fees. With respect to any collection measures, or any measures or action, legal, administrative, or otherwise, which the Association takes to enforce the provisions of the Act, Governing Documents or Rules and Regulations, whether or not finally determined by a court or arbitrator, the Association may assess the violator and his or her Lot with any expenses incurred by the Association in connection with such enforcement, including without limitation fines or charges previously imposed by the Association, reasonable attorneys, fees, and interest (at the highest rate allowed by law) on the delinquent amounts owed to the Association. Such expenses shall also include but not be limited to any collection or contingency fees or costs charged to the Association by a collection agency or other Person acting on behalf of the Association in collecting any delinquent amounts owed to the Association by Owner. Such collection or contingency fees or costs shall be the personal obligation of such Owner and shall be a lien against such Owner's Lot.

10.6 Liability for Owners' and Occupants' Acts. An Owner shall be liable for the expense of any maintenance, repair or replacement of the Property rendered necessary by such Owner's acts or omissions, or by that of Occupants, Related Users or guests in the Owner's Lot, to the extent that such expense is not covered by the proceeds of insurance carried by the Association or such Owner, Occupant, and/or Related User. However, any insurance deductible amount and/or increase in the Association's insurance rates, resulting from the

Owner's, Occupant's or Related Users' acts or omissions may be assessed against the Owner of the Lot and against his or her Lot.

10.7 Enforcement by Owners. The provisions of this Section shall not limit or impair the independent rights of Owners to enforce the provisions of the Governing Documents, the Rules and Regulations, and the Act as provided therein.

SECTION 11. RIGHT TO ADD ADDITIONAL REAL ESTATE

Declarant hereby expressly reserves the right to add the Annexable Areas or any portion thereof to the Property, by unilateral action under Section 515B.2-111 of the Act, subject to the following conditions:

11.1 Time Limit. The right of Declarant to add the Annexable Areas or any portion thereof to the common interest community shall terminate ten (10) years after the date of recording of this Declaration or upon earlier express written withdrawal of such right by Declarant or a successor Declarant, unless extended by a vote of the Owners pursuant to Section 515B.2-106(2) of the Act. There are no other limitations on Declarant's rights hereunder, except as may be imposed by law.

11.3 Limits on Obligation to Add. There are no assurances as to the times at which any part of the Annexable Areas will be added to the Property, the order in which it will be added, the number of parcels per phase nor the size of the parcels. Declarant is under no obligation to add the Annexable Areas to the Property, and the Annexable Areas may be developed by Declarant or its successors in interest for other purposes, subject only to approval by the appropriate governmental authorities.

11.4 Maximum Lots. The maximum number of Lots that may be created within the Annexable Areas on the date of this Declaration is one thousand five hundred (1,500). In addition, certain portions of the Annexable Areas may be used for multi-family, commercial or other purposes if not incorporated into the Association. All Lots created on the Annexable Areas shall be restricted exclusively to residential use or for use as Common Elements.

11.5 Architectural Compatibility. Any improvements, Dwellings and other structures, erected upon the Lots within Annexable Areas shall be compatible with the other improvements, Dwellings and other structures which are part of the Property in terms of architectural style, quality of construction, principal materials employed in construction and size; subject (i) to any changes required by governmental authorities or lenders, and (ii) to any interior and minor exterior changes made by Declarant to meet changes in the market.

11.6 Application of Covenants. All covenants and restrictions contained in this Declaration affecting the use, occupancy and alienation of Lots shall apply to all lots created on the Annexable Areas. If Lots are added to the Association pursuant to this Section, voting power and Common Expenses shall be allocated amongst all Lots, including those developed on the Annexable Areas, pursuant to the terms and conditions of this Declaration.

11.7 Effect on Excluded Property. The statements made in Sections 11.1 through 11.6 shall not apply to any Annexable Areas, which is not added to the Property.

SECTION 12. TERM/AMENDMENTS

12.1 Term. The provisions of this Declaration shall run with the Property and shall be binding upon all Owners and all persons claiming under them for a period of thirty (30) years from the date this Declaration is recorded, after which time said Declaration as amended pursuant to Section 12.2 below, shall be automatically extended for successive periods of ten (10) years each, unless the Owners elect to terminate the common interest community created by this Declaration pursuant to Section 515B.2-119 of the Act. Notwithstanding anything contained herein to the contrary, all easements created hereby shall continue in perpetuity in accordance with the respective terms thereof.

12.2 Amendments. In addition to other restrictions set forth herein, the Act specifies the requirements for Amending the Declaration.

SECTION 13. RIGHTS OF ELIGIBLE MORTGAGEES

13.1 Consent to Certain Amendments. The written consent of Eligible Mortgagees representing at least fifty-one percent (51%) of the Lots that are subject to first mortgages held by Eligible Mortgagees (based upon one (1) vote per first mortgage financed) shall be required for any amendment to the Governing Documents which causes any change in provisions including the following: (i) voting rights; (ii) priority of assessment liens; (iii) reallocation of interests in the Common Elements, or rights to their use except in connection with the addition of the Annexable Areas or portions thereof; (iv) convertibility of Common Elements into Lots; (v) imposition of any restrictions on an Owner's right to sell or transfer his or her Lot; or (vi) any provisions that expressly benefit mortgage holders, or insurers or guarantors of mortgages.

13.3 Consent to Subdivision. No Lot may be partitioned or subdivided without the prior written approval of the Owner and Eligible Mortgagee thereof, and the Association.

13.4 No Right of First Refusal. The right of an Owner to sell, transfer or otherwise convey his or her Lot shall not be subject to any right of first refusal or similar restrictions.

13.5 Priority for Condemnation Awards. No provision of the Governing Documents shall give an Owner, or any other party, priority over any rights of the Eligible Mortgagee of the Lot pursuant to its mortgage in the case of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Lot.

13.6 Notice Requirements. Upon written request to the Association, identifying the name and address of the holder, insurer or guarantor of a mortgage on a Lot, and the Lot number or address, the holder, insurer or guarantor shall be entitled to timely written notice of:

RECITALS:

A) Owner is the owner in fee simple of that certain real property located in the County of Wabasha, State of Minnesota, legally described as ("Property"):

Lots 1-9, Block 1, of GRAND BLUFFS AT THE JEWEL, Wabasha County, Minnesota, according to the plat thereof on file and of record in the office of the Wabasha County recorder.

(the "GRANTOR TRACT").

B) Owner intends to reserve a permanent exclusive easement for landscaping and drainage purposes over, under, upon and across that part of the Property legally described on Exhibit A attached hereto and made a part hereof (the "EASEMENT TRACT").

NOW, THEREFORE, in consideration of one dollar and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged;

1) Permanent Easement. Owner does hereby retain a permanent exclusive easement (the "EASEMENT") for landscaping and drainage purposes over, under, upon and across the Easement Tract. The Easement shall be for the exclusive use of Owner, its heirs, successors or assigns; provided, however, that to the extent Owner is not using the easement for landscaping and drainage purposes, a purchaser of the Property ("Property Owner") may, with Owner's written consent, have full use of the Easement tract, including for yard, planting, fencing or approved structures.

2) Replace, Repair & Maintenance. Owner shall have the right to replace, repair, maintain, excavate, reconstruct, and make alterations to the drainage and landscaping within the Easement Tract.

3) Use of the Easement Tract. Except for drainage and landscaping purposes, Owner shall not use the Easement Tract for purposes which will interfere with Property Owner's full enjoyment of the Property and shall not erect or construct any permanent building, additional structure, or other structural improvement within the Easement Tract which will, or may, obstruct, interfere or damage the use of the Property by Property Owner.

4) Owner's Rights. Owner further retains the following rights:

(a) The right of ingress to and egress from the Easement Tract over and across the Property.

(b) The right from time-to-time to trim and cut down and clear away any and all trees and brush now or hereafter on the Easement Tract which now or hereafter, in the opinion of Owner, may be a hazard to Owner's use of the Easement.

(c) The right to mark the location of the Easement Tract by suitable markers set in the ground; provided that such markers shall be placed in locations which will not interfere with any reasonable use by Property Owner of the Property.

6) Owner's Covenants. Owner hereby covenants and agrees:

(a) Owner, from time-to-time and at all times hereafter, at its own expense, will repair and maintain the Easement Tract in a proper and workmanlike manner.

(b) Owner agrees that in the event of future replacement, repair or maintenance on the Easement, Owner will notify Property Owner thirty (30) days prior to any scheduled replacement, repair or maintenance which requires Owner to go upon Property in accordance with the terms hereof, except in the event of an emergency repair or maintenance, in which case, Owner shall notify the Property Owner as soon as possible.

(c) shall promptly backfill any trench made by it on the Easement Tract and repair any damage it shall do to Grantor Tract in accessing the Easement Tract.

(d) Owner shall indemnify Property Owner against any loss and damage which shall be caused by the exercise of the rights of ingress and egress to the Easement Tract, or by any wrongful or negligent act or omission of it or of its agents or employees in the course of their employment.

(e) Owner will pay for or repair any damages done at any time hereafter to lawns or plantings of Property Owner in the event that it shall become necessary to go upon the Easement Tract for the purpose of replacing, repairing or maintaining the Easement.

7) Enforcement. In the event of any violation or interference or attempted or threatened violence or interference of the terms hereof, this Agreement may be enforced by either party or by any successor or assign of any party by restraining order or injunction, temporary or permanent, prohibiting such violation or interference and demanding compliance with the provisions hereof, which restraining order and injunction shall be obtainable upon the proof of the existence of such violation or interference or attempted or threatened violation or interference and without the necessity of proof of the inadequacy of legal remedies or irreparable harm. In addition, in the event of any breach of any

term of this agreement, the aggrieved party shall have all rights and remedies available by law or in equity, including without limitation, the right to specific performance.

9) Headings. The headings of this Agreement are inserted for convenience only and shall not affect the meaning or interpretation of this agreement or any provision or paragraph hereof.

11) Severability. If any provision of this agreement is held to be unenforceable or void, such provision shall be deemed to be severable and shall in no way affect the validity of the remaining terms of this agreement.

CONSERVATION EASEMENT

THIS CONSERVATION EASEMENT ("Easement") is entered into this 30th day of Nov., 2004, by and between The Residences at The Jewel, LLC, a Minnesota limited liability company, whose address is 102 West Center Street, Lake City, Minnesota ("Owner"), and the Jewell Nursery Heritage Foundation, Inc., a Minnesota nonprofit corporation having its principal office in Lake City, Minnesota ("Foundation").

WITNESSETH:

- A. Owner is the sole owner in fee simple of certain real property legally described on **Exhibit A**, attached hereto and incorporated by this reference in Wabasha County, Minnesota ("Grantor Tract").
- B. Owner is also the sole owner in fee simple of certain real property legally described on **Exhibit B**, attached hereto and incorporated by this reference in Wabasha County, Minnesota ("Protected Land").
- C. The Protected Land is primarily woodlands, wetlands, riparian areas or is adjacent to the golf course known as The Jewel Golf Club ("Golf Club").
- D. The natural and scenic qualities and forested character ("Conservation Values") of the Protected Land are set forth in 1) an Alternative Urban Area-wide Review AUAR ("AUAR") dated July 2001, and adopted by the Common Council of the City of Lake City on October 9, 2001; and 2) an Ecological Mitigation Plan (EMP) which the parties acknowledge accurately represents the present condition of the Protected Land. Each of the parties has a copy of the relevant portion of the AUAR and EMP. The Foundation intends to use the AUAR and EMP in monitoring subsequent uses of the Protected Land and enforcing the terms of this Easement. Notwithstanding this, the parties may use all other relevant evidence to establish the present condition of the Protected Land in the event of a disagreement as to whether a subsequent activity or use is consistent with the terms of this Easement.

- E. Owner intends to convey to the Foundation the right to preserve and protect the Conservation Values of the Protected Land in perpetuity and to prevent or remedy subsequent activities or uses that are inconsistent with the terms of this Easement.
- F. The grant of this Easement will serve the policies of the State of Minnesota which encourage the protection of Minnesota's natural resources, as set forth in part in Minnesota Statutes Section 84C.01-02 (Conservation Easements) and in Section 40A.04 (State Agricultural Land Preservation).
- G. The Foundation is a publicly supported, nonprofit corporation which seeks to protect the natural, scenic, agricultural, forested, and/or open space conditions of land in Lake City, Minnesota formerly known as the Jewell Nursery. In addition, the Foundation is qualified as a non-profit organization under Sections 501 (c) (3) of the Internal Revenue Code. The Foundation has agreed to assume the obligation of protecting the natural and scenic qualities of the Protected Land in perpetuity according to the terms of this Easement.

NOW THEREFORE, in consideration of their mutual covenants and pursuant to the provision relating to Conservation Easements set forth in Minnesota Statutes Section 84C.01-.05, Owner conveys and warrants to the Foundation and the Foundation accepts a perpetual Conservation Easement on the Protected Land of the character and to the extent set forth herein.

- 1. Intent. The parties intend to 1) permanently retain the Protected Land in its predominantly natural and scenic condition; 2) reforest the Protected Land in accordance with the EMP; and 3) prevent or remedy any subsequent activity or use that significantly impairs or interferes with the Conservation Values of the Protected Land. Owner intends to restrict all subsequent use of the Protected Land to activities consistent with the terms of this Easement. The foregoing notwithstanding, use of the Protected Land shall not conflict with use of the Protected Land required by the Golf Club operations in areas currently being used, or planned to be used, for golf course operations, including without limitation, maintenance of golf cart paths, tree removal or trimming and turf establishment ("Golf Club Use").
- 2. Foundation's Rights. To accomplish the parties' intent, Owner conveys the following Rights to the Foundation.
 - A. The Foundation shall preserve and protect the Protected Land pursuant to the parties' intent and terms of this Easement.
 - B. The Foundation may enter the Protected Land at reasonable times to monitor subsequent activities and uses and to enforce the terms of this Easement. The Foundation shall give reasonable prior notice to Owner of all such entries and shall not unreasonably interfere with Owner's use and quiet enjoyment of the Protected Land.

C. The Foundation may act, pursuant to Paragraph 18, to prevent or remedy all subsequent activities and uses of the Protected Land not consistent with the parties' intent and terms of this Easement.

3. Prohibited Uses. Owner shall not perform or knowingly allow others to perform acts on the Protected Land that would significantly interfere with the intent of this Easement. This general restriction is not limited by the more specific restrictions set forth in Paragraphs 4 through 13. The foregoing notwithstanding, the parties acknowledge that the Golf Club Use of the Protected Land is consistent with the terms of this Easement and the Owner may continue making such use of the Protected Land.
4. Residential, Commercial & Industrial Uses. Subject to Golf Club Use, without the prior written approval of the Foundation, Owner shall not a) subdivide all or part of the Protected Lands for residential, commercial or industrial development; b) engage in commercial or industrial activities on the Protected Land; c) engage in the exploration or extraction of soil, sand, gravel, rock, minerals, hydrocarbons or any other natural resource on or from the Protected Land; and/or d) construct or install additional buildings or improvements of any kind including fences, driveways, parking lots and roads on the Protected Land, except as specified in this Easement.
5. Permitted Uses. Owner may a) construct, maintain, repair and replace fences as needed to serve additional uses permitted by the terms of this Easement; b) maintain, repair and replace existing roads but shall not widen them unless doing so lessens the environmental impact of the road on the Protected Land and Owner has obtained the prior written approval of the Foundation; c) maintain, renovate, expand or replace existing buildings or improvements in substantially their present location. Any expansion or replacement of an existing building or improvement shall not substantially alter its character or function, and shall not exceed its current square footage by more than twenty-five percent, without the prior written approval of the Foundation.
6. Utility Systems. Owner may maintain, repair, and replace existing utility systems on the Protected Land including, without limitation, water, sewer, power, fuel, and communications lines and related facilities. Except as needed for Golf Club Use, Owner shall not install new utility systems or extensions of existing utility systems on the Protected Land including, without limitation, water, sewer, power, fuel, and communications lines and related facilities, without the prior approval of the Foundation except as needed to serve any additional uses, buildings, and improvements permitted by the terms of this Easement.
7. Golf Club Use. Owner may conduct golf course operations in areas currently being used, or planned to be used, for golf course operations on the Protected Land.

8. Soil and Water Degradation. Owner shall not engage in activities or uses that cause or are likely to cause soil degradation, erosion, or water pollution, either on the surface or underground the Protected Land.
9. Waste Removal. Owner shall not dump or dispose of refuse or other waste material on the Protected Land although, subject to applicable laws and regulations, Owner may dispose of brush and other plant material from the Protected Land by burning or composting if such material results from activities or uses permitted by this Easement.
10. Setback. The boundary lines of the Easement shall not be considered a line from which any setback shall be required for purposes of construction of the Golf Club or any other purpose.
11. Trees, Shrubs, and Vegetation. Owner shall not remove, destroy, cut, mow or alter trees, shrubs, and other vegetation except a) as ordinarily required to maintain a wooded area; b) as reasonably required for areas immediately adjacent to improvements permitted by Paragraph 5; c) as reasonably required for Golf Club Use permitted by Paragraph 7; d) to prevent or control insects, noxious weeds, diseases, fire, personal injury, or property damage; e) for firewood or construction material intended for use on the Protected Land; f) as reasonably required to construct and maintain the trails permitted in Paragraph 12; g) to enhance wildlife habitat or restore native biological communities; h) pursuant to the Forest Management Plan prepared by Owner and a professional forester; and i) for other activities or uses permitted by the terms of this Easement or approved by Foundation.
12. Recreational Use. Owner may establish and maintain trails for The Jewel Golf Club, fire breaks, walking, horseback riding, cross-country skiing and other non-motorized recreational activities on the Protected Land. Owner shall not use or allow others to use motorcycles, all-terrain vehicles, or other motorized vehicles on the Protected Land except as reasonably required for other activities or uses permitted by the terms of this Easement or Foundation.
13. Signs. Owner shall not erect or install any signs or billboards on the Protected Land except for signs stating the name and address of the Protected Land, announcing the sale or lease of the Protected Land or the activities or uses permitted by the terms of this Easement, designating the boundaries of or directions to the Protected Land, or restricting entry to or use of the Protected Land. With the prior approval of Owner, the Foundation may erect or install signs announcing that the Protected Land is subject to this Easement. For all signs permitted by this Paragraph, the location, number, and design must not significantly diminish the natural and scenic qualities of the Protected Land. All signage must be approved by Owner.
14. Foundation's Approval Process. The requirement that Owner obtain the prior written approval of the Foundation, where applicable, is intended to let the Foundation study the proposed use and decide if it is consistent with this Easement and maintains or

enhances the Conservation Values of the Protected Land. Owner shall submit a request in writing to the Foundation at least ninety days prior to the proposed date of commencement of the use in question. The request shall set out the use for which approval is sought, its design and location, the impact of the proposed use on the Conservation Values of the Protected Land, and other material information in sufficient detail to allow the Foundation to make an informed judgment that the proposed use is or is not consistent with this Easement or would adversely effect the Conservation Values of the Protected Land. The Foundation shall notify Owner in writing of its decision within thirty days of its receipt of Owner's request. The Foundation may withhold its approval only on a reasonable determination that the proposed use would be inconsistent with this Easement, impairs the Conservation Values of the Protected Land, results in violation of any applicable law or regulation or that it lacks information in sufficient detail to reach an informed judgment that the proposed use is or is not consistent with this Easement. The Foundation may condition its approval on the Owner's acceptance of modifications which, in the Foundation's judgment, would make the proposed use, as modified, consistent with this Easement or protects the Conservation Values of the Protected Land.

15. Public Access. No right of access by the public to any portion of the Protected Land is conveyed by this Easement.
16. Reserved Rights. Owner reserves all rights accruing from its ownership of the Protected Land including, without limitation, the right to engage in or allow others to engage in all activities or uses of the Protected Land that are not prohibited or limited by this Easement, the right to exclude all or any of the public from the Protected Land and to sell or transfer all or part of the Protected Land subject to this Easement. Owner shall inform all others who exercise any right by or through it on the Protected Land of the terms of this Easement. Owner shall incorporate by reference the terms of this Easement in all deeds or other legal instruments by which it transfers any interest, including a leasehold interest, in all or part of the Protected Land. Owner shall give thirty days prior written notification to the Foundation of a transfer of all or any part of fee title to the Protected Land.
17. Costs and Liabilities. Owner retains all obligations and shall bear all costs and liabilities of any kind accruing from its ownership of the Protected Land including the following responsibilities.
 - A. Owner shall remain solely responsible for the reforestation, operations, upkeep, and maintenance of the Protected Land. Owner shall keep the Protected Land free of all liens arising out of work performed for, materials furnished to, or obligations incurred by Owner.
 - B. Owner shall pay all taxes and assessments levied against the Protected Land including any taxes or assessments levied against the interest of the Foundation established by this Easement. The Foundation may, but is not obligated to, make any payment of taxes or assessments levied against the

Protected Land or the interest established by this Easement and shall have a right of reimbursement against Owner for such amounts.

C. Owner shall remain solely responsible for maintaining liability insurance for its uses of the Protected Land and the Protected Land itself. Liability insurance policies maintained by the Owner covering the Protected Land will name the Foundation as an additional named insured. Owner shall hold harmless, indemnify, and defend the Foundation from and against all liabilities, penalties, costs, losses, damages, expenses, causes of action, claims, demands, or judgments, including, without limitation, reasonable attorney's fees, arising out of or relating to (i) personal injury, death, or property damage resulting from an act, omission, or condition on or about the Protected Land unless due solely to the negligence or willful act of the Foundation, (ii) the obligations retained by Owner to maintain the Protected Land and pay taxes in Paragraphs 17(A) and (B), and (iii) the existence of this Easement.

18. Enforcement. If the Foundation finds at any time that Owner has breached or may breach the terms of this Easement, the Foundation may give written notice of the breach to Owner and demand action to cure the breach including, without limitation, restoration of the Protected Land. If Owner does not cure the breach within thirty days of notice, the Foundation may commence an action to a) enforce the terms of this Easement; b) enjoin the breach, ex parte if needed, either temporarily or permanently; c) recover damages; d) require restoration of the Protected Land to its condition prior to Owner's breach; and e) pursue any other remedies available to it in law or equity. If, in its sole discretion, the Foundation determines that immediate action is needed to prevent or mitigate significant damage to the Protected Land, the Foundation may pursue its remedies under this Paragraph without written notice or giving Owner time to cure the breach.

19. Costs of Enforcement. If the Foundation prevails in an action brought under Paragraph 18, Owner shall reimburse the Foundation for all costs incurred by the Foundation in enforcing the terms of this Easement including, without limitation, costs of suit, reasonable attorney's fees, and costs of restoration. If Owner prevails, the Foundation shall reimburse Owner's costs of defense including, without limitation, costs of suit and reasonable attorney's fees.

20. Waiver. The enforcement of the terms of this Easement is subject to the Foundation's discretion. A decision by the Foundation not to exercise its rights of enforcement in the event of a breach of a term of this Easement shall not constitute a waiver by the Foundation of such term, any subsequent breach of the same or any other term, or any of the Foundation's rights under this Easement. The delay or omission by the Foundation to discover a breach by Owner or to exercise a right of enforcement as to such breach shall not impair or waive its rights of enforcement against Owner.

21. Acts Beyond Owner's Control. The Foundation shall not exercise its rights of enforcement against Owner for injury or alteration to the Protected Land resulting from causes beyond the reasonable control of Owner including, without limitation, fire, flood, storm, and earth movement, or from any prudent action taken by Owner under emergency conditions to prevent, abate, or mitigate significant injury or alteration to the Protected Land resulting from such causes.
22. Extinguishment. If subsequent unexpected changes in the conditions surrounding the Protected Land make it impossible to preserve and protect the Conservation Values of the Protected Land, this Easement can only be extinguished, either all or in part, by proceedings in a court having jurisdiction. The amount of proceeds to which the Foundation is entitled from an extinguishment shall be used consistent with the preservation and protection of the natural and scenic qualities of land in Minnesota.
23. Proceeds. To establish the amount of proceeds to which the Foundation is entitled on extinguishments, the parties agree that this Easement has a fair market value ascertained by a qualified, licensed appraiser at the time of the extinguishments of this Easement.
24. Assignment of Easement. The Foundation may transfer its rights and obligations in this Easement only to a qualified conservation organization, as provided in Section 170(h) of the Internal Revenue Code, which may hold Easements, as provided in Minnesota Statutes Sec. 84C.01(2) (1992). As a condition of such transfer, the Foundation shall require the continued enforcement of this Easement.
25. Notices. Any notice or other communication that either party wishes to or must give to the other shall be in writing and either served personally or sent by first class mail, postage prepaid, to the following addresses or such other address as either party shall designate by written notice to the other.

28. Amendment. The parties may amend this Easement provided that such amendment (i) shall not impair or threaten the Conservation Values of the Protected Land, (ii) shall not affect the perpetual duration of this Easement, (iii) is approved by the Foundation
